INCURSION INFORMATION

MUSICA-VIVA AUSTRALIA, RHYTHM WORKSHOP

Dear Parents/Carers,

Rhythm Works are a dynamic percussion duo who show students how to create visual images through music – with lizards, waterfalls, road trains and carnivals. In this high energy show, students are introduced to a range of instruments from African djembes, marimbas, electronic loop machines, boomwhackers and wearable instruments made out of PVC pipe! Students are given the chance to perform using these instruments to create their own musical imagery, with opportunities to recreate the experience back in the classroom.

As we would love all students to have the opportunity to attend this show, the school has subsidised 50% of the cost. Please complete the slip below and return with your payment by the payment date.
